

At Christ Community, we exist to make gospel-centered disciples among all people for the glory of God. One of the primary tools we use to carry out this calling is Community Groups. Because of the value we place on Community Groups, we offer partial reimbursement to help offset the cost of childcare for families, especially those who would otherwise not be able to attend a Community Group.

- The Childcare Reimbursement Request Form is to be used for Community Group events only.
- Individual Community Groups will be reimbursed up to \$25 per event (only one event per week) and a maximum of \$100 total per month.
- In order to reimburse those participating in a Community Group as quickly and efficiently as possible, we ask that one request be submitted that covers all meetings held during a calendar month.
- The deadline for all submissions is the 15th of the following month. There are no exceptions for late submissions.
- Reimbursement is meant to supplement childcare expenses and may not cover the full amount.
- Reimbursement will be available during the normal season of Community Groups (specifically, August through May).
- Christ Community intends for this to be a generous attempt to help families engage in Community Groups; we hope that families are equally generous to those who care for their children during this time.
- Unless otherwise approved, other ministries are not entitled to use this reimbursement process.
